In addition to an average savings of \$93.50 you are entitled to a 10% discount on flea and heartworm preventative medication for one year and a 10% discount on spay and neuter procedures. We also offer a Pet Protection Program, which includes a therapeutic pedicure, Avid Microchip, and Oravet Dental Protectant Sealant - a great additional option for your pet during the spay or neuter procedure! This option is available for your pet for only \$61.00.

To enroll in this program, please contact us at 681-3033.

\*\* FIV vaccinations are currently available. The veterinarian will discuss whether or not this vaccination is necessary for your pet at your twelve week visit.
